

Math 251 Syllabus—Summer II 2002

Location: CBC C221

Time: Monday through Friday, 8:00–9:30

Instructor: Dr. Douglas Burke

Office: CBC B310, Office Phone: 895–0380

Email: dburke@unlv.edu

Office Hours: By appointment during the summer. The best way to contact me is by email. Usually I will be available in the classroom after class, and in my office after my next class ends at 11:10.

Required text: Mathematics: A Discrete Introduction by Edward R. Scheinerman.

Grades: will be based on four in class exams and a final exam. The lowest of the four in class exams will be dropped, and the remaining three will count for 75% of your grade. The final exam will be on the last day of class and will count for the remaining 25% of your grade. The final is cumulative.

There will be no make-up exams. If you must miss an exam, notify me as soon as possible and bring in written documentation.

Homework will be assigned each day and will be due on the next day. All handouts given in class are available at <http://www.nevada.edu/~dburke/251>

Statement from the Disability Resource Center: If you have a documented disability that requires assistance, you will need to go to the Disability Resource Center (DRC) for coordination in your academic accommodations. The DRC is located in the Reynolds Student Services Center room 137. The DRC phone is 895-0866 or TDD 895-0652.
