Office of State Land Register

State of Nevada, Carson City

July 13, 1869

The Board of Regents met pursuant to adjournment. Present:

C. C. Batterman and A. N. Fisher.

The matter of proposals for lands was taken up and awards were made as per List of Awards No. 1 on file in the State Land Office. It appearing that owing to a change of Officers, the State's application for lands, formerly known as the U. S. Timber Reserve, has not been acted upon in the local U. S. Land Office, the State Register was directed to file another application for said lands in part satisfaction of the Internal Improvement Grant.

On motion, the Board adjourned to meet at the call of the

President.
